

# Campus Environment Design Standards

Tool helps facilities managers across multiple campuses

## FURNITURE

## OPTIONAL FURNITURE

Description	Furniture that is comfortable and fun and that encourages students to work out of doors contributes to health and to a vibrant campus life.  These reclining lounges are good looking and popular.
Application	Locate these in groups adjacent to pathways adjacent to medium-high traffic areas, or singly in natural bushland areas.  Accessibility to data/power/WiFi should be provided adjacent to each location. Underfooting of paving, gravel or stone track is required.
Materials	Mild Steel Construction Hot Dip Galvanised Hardwood Timber Slats Belt Down Attachment Powder Coat Finish
Dimension	Single 600mm wide Double 1200mm wide
Product model	Chair Lounge Seat (single) FF5B001008
Supplier	Purple Foundry Pty Ltd. www.purplefoundry.com.au Ph: (03) 5831 2777 Fax: (03) 5831 2681

## Our Approach

As an organisation with physical campuses at Burwood, Warrnambool, Geelong Waterfront and Warrnambool, the challenge for Deakin University is to maintain consistent landscape treatments while reflecting the individual character of each campus.

PM&A Landscape Architects was appointed to prepare a masterplan of external treatments to help maintain uniformity of treatments and procedures across all campuses while recognising and celebrating the character of each site.

The Campus Environmental Design Standards identifies the particular history, landscape characteristics and design direction of each campus, and provides clear guidance to facility managers and external consultants in the design and construction of outdoor spaces.

It defines the style and materials palette to be used across all campuses, and where the 'rules' should be relaxed to allow use of bespoke custom elements.

The Standards have become a key tool to minimise maintenance costs, streamline the approvals process and to manage the landscape values of the four sites.

**Client:** Deakin University Infrastructure & Property Group

**Location:** All campuses
